

Show us your **heart!**

When you say “yes” to organ donation, you’ll receive a heart sticker for your driver’s license or state identification card.

How to get your heart sticker:

- ♥ Tell the branch office clerk you wish to be an organ donor, or
- ♥ Sign up on the Michigan Organ Donor Registry at www.Michigan.gov/sos.
- ♥ **Please note:** If you’ve added your name to the registry in the past, please sign up again. This will update your donor registration and make sure you get your heart sticker.

Share your decision to be an organ donor with family and friends. Encourage them to sign up too!

You can **really** make a difference—donation saves lives every day.

How you can help

Each year, organ transplants give hundreds of Michigan residents a new chance at life. Thousands more benefit from tissue and cornea donations. Your decision to be a donor can save or enhance the lives of up to 50 people. Sign up today!

Frequently asked questions

Who can sign up to be an organ donor? People of all ages and medical histories can sign up as donors. A physician will make the determination at the time of death as to what organs and tissues can be donated.

What does signing up on the Michigan Organ Donor Registry mean? Under Michigan law, your decision to add your name to the donor registry is legally binding—no further consent is needed.

Is there a cost to the donor? There is no cost to the donor or the donor's family.

What is the Michigan Organ Donor Registry? It is a database of residents who wish to be donors that is maintained by the Department of State. The registry is confidential and accessed only by Gift of Life Michigan to assist hospitals in the recovery and transplantation of organs and tissues.
